- Technical Specification Written by and with full support of **ALL** CONGU Hcp Software Suppliers (ISV's)
- Built by Nemisys EGU Web Services Provider.
Solid understanding of EGU & Golf Handicapping
- Now Fully Tested & Clubs Uploading
- **All Clubs to be Registered by 1st Jan 2010**

EGU CHD – How will it save YOU time?

- Automatic send, receive and input to players records of qualifying away scores.
- For open competition you have the facility to interrogate the basic detail of all golfers with handicaps in England (membership status, handicap and last updated, active/inactive) using their unique lifetime ID number.
- Golfer details can be auto pulled from the CDH to populate start sheets (check with your ISV).
- No requirement for annual Category 1 handicap record returns to your County Secretary & EGU as online checks can now be made by the unions.

Print List Finish Process

Prior to submitting scores to the EGU/CDH, Software will check for any 'incoming' AWAY scores. These are notified to the user as shown. The system operator must either accept or reject the score. Incoming scores will not affect the player's handicap until they have been accepted. In order to facilitate the checking of scores, users can double-click on any name in the list to see the complete playing history of that player.

It includes a search bar, a "Consent to login" section with "Email Address" and "Password" fields, and a "Register for news" section with checkboxes for "Email site to a friend" and "Downloads". A sidebar on the left lists various categories under "Handicapping", including "Administrative Handicapping", "Centralised Database of Handicaps (CDH)", "About CDH", "FAQs", "Useful Contacts", "How to Qualify Competitions", "Handicapping Publications", "Players Obligations", "Qualifying Competitions", "Guides to General Play & Annual Reviews", "Qualifying Events from Different Times", "Stroke Index Recommendation", "Stroke Allowances", "Standard Handicaps Index Adjustment", "EGU/PGA Questions & Answers", "Supplementary Scores", and "Polo". The main text explains that during 2008 the EGU, in conjunction with and with the full support of the CDH02 Licensed Handicap Software suppliers, developed the new EGU SYSTEM OF HANDICAPS (CDH). It details the design, build and testing process and the new EGU CDH system. It also provides instructions on how to register your club to CDH and log in using the credentials supplied by your CDH02 licensed handicap software supplier. At the bottom, there are logos for OSCAR JACOBSON, SPORT ENGLAND, English Golf, and WOODS W. The footer contains contact information for The English Golf Union Ltd., including the National Golf Centre, 100 Small Heath, Birmingham B11 1BB, and contact details for telephone, fax, email, and website. It also mentions a Privacy Policy, Terms & Conditions, and that the website is produced by nubmcsys.
