

Junior County Match Days @ Frilford Heath GC

This year JCMD's was organised by Oxfordshire at Frilford Heath. The first session on Monday is a team stableford event, playing a foursomes format, and Berkshire were paired with Hertfordshire. Three scores out of four count and Berkshire came in as winners with a total of 101. It was a great start to the two days of competitive golf against the three counties, where the aim is to be the BB&O representatives for the regional event in October.

The afternoon session was the first of the singles matchplay matches against Hertfordshire. We lost to the team who went on to be the overall winners of the two day event. On Tuesday we played Oxfordshire and scored a 6 – 1 win, hopes were running high, we needed to beat Bucks to go forward to the regional event. At the half way stage the matches were 3 up, one level and 2 down and a loss due to an injury retirement. We were outplayed by Bucks and they are the BB&O representatives for 2011. We wish them every success in the regional event in October.

The team played with confidence and they would like to thank the Senior squad for the match play practice during the Spring and Summer and the rules knowledge gained from the on course sessions held at G&S with Margaret Berriman and Ann Williams. It has been a total county effort and the team and I thank you all very much.
