

BGG Competition Report
@
Wellington College
Thursday 28th July 2011

Format: 18 hole Stableford for mid to high handicap
9 hole Stableford
6 hole shortened course competition

The day was a surprisingly warm and sunny one, after two days of very wet and windy weather. This was a relief as the event taking place at Wellington College with the support of Ian Davis, has no shelter or club house facilities. The staff made us all very welcome and great notices helped us locate this fabulous course. The start times were staggered so that all the players finished in time for tea at approximately 5.00pm.

Bella Cordwell, Nathalie Warke, Julia Warke & Gaby Curtis

Four players set off at 1.00 to complete the 18 holes, followed at 2.30 with three players playing the 9 holes accompanied by markers to support the players. This is a challenging 9 hole course and the girls thoroughly enjoyed the experience. Tea was served alongside the presentations to Gaby Curtis with a great score of 36 points, Nathalie Warke, 35 points, Julia Warke, 30 points and Bella Cordwell with 25 for the 18 hole stableford. Jessica Li had a terrific 22 points, Bobbi Lainsbury 19 points and Katie Goodrich 10 points for the 9 hole Stableford.

Very many thanks go to Pat Menzies, Pera Marrs for their help as markers, and Karen Thompson, the County Captain for coming to present the prizes.
