Report:

Thirty two players took part in the end of season competition on a clear bright afternoon. The shot gun start at 2.15 was helped by the staff at Billingbear who allowed BCLGA the full use of the par three course. A wide range of ages and golfing ability took part and great fun was had by all. The prize table had a Halloween theme and during tea presentations and awards were given out.

A full list of all the prize winners presented at this end of year event will be in the Christmas newsletter.

Many thanks to all the parents who came and played, to Pera, Francine, Sarla, Karen Thompson, County Captain who presented the prizes and to Jacquie Blainey at Billingbear for making the afternoon work so well for us all. This has become the end of year event not to miss so watch out for it in 2012.
