**Report:**

The entry for the Autumn Meeting was small, but hardly surprising as there were so many events on over the half term break. The day was dull but it did manage to stay dry for the players and they completed the 18 holes in record time. Patient parents made full use of the lovely club house enjoying lunch and coffee before the very good scores were handed in for checking.

It was great to see Harriet Richards playing her last competition in the junior section and we look forward to following her progress in 2012. Julia has had a great end to the season cutting her handicap to 25 and likewise Katie who was playing off 42 in July and now holds a handicap of 24. Congratulations for a great result today.
