

President of Sand Martins Golf Club

We are delighted to announce that Sue Ford, who was Lady Captain of Sand Martins Golf Club in 1994 and also formerly BCLGA Honorary Treasurer and ELGA SE Region Treasurer has been offered and has accepted the office of President of Sand Martins Golf Club. The previous President was Sir Henry Cooper who held the role from 1993 until his recent death.

Sue feels greatly honoured and is looking forward to undertaking her new duties.

We would like to congratulate Sue on becoming, we believe, the first Madam President in Berkshire and to wish her every success.
